# WELCOME TO CRAFTHOUSE & ANGELICA

Award-winning Crafthouse offers a distinctive and delicious dining experience, matched with spectacular views across Leeds. Many ingredients are sourced from Yorkshire's coast and countryside and are cooked with the utmost care. Menus change with the seasons, with a focus on quality produce, professionally cooked and simply served. The Josper oven provides a unique technique in the preparation of our meat and fish, chargrilling at 480 degrees over charcoal. An open kitchen faces onto the restaurant's dark oak and marble interior, whilst the chef's counter offers diners a unique insight into the inner workings of the kitchen. Specially commissioned artwork features throughout designed to reflect Leeds' past and present – both its great industrial heritage and its status as one of the most vibrant, metropolitan cities in Europe.

With a central location, friendly staff and buzzing atmosphere, Angelica is a fun and relaxed venue for group dining and parties; a great setting for an informal get-together. Whether you are with friends, family or colleagues, Angelica always impresses, serving up a delicious menu, stunning views and a bustling brasserie-style atmosphere with music played throughout the day. Relax and unwind in the bar with its diverse selection of wines and beers, classic and unusual spirits and cocktails.

With Angelica taking over the roof top and Crafthouse located just underneath our venues are the perfect place to host your Christmas party weather it be for your company, family or friends.
